

## EXECUTIVE OF MODERATION LEAGUE OF ALBERTA HELD SESSION TO CONSIDER ACTION OF PROHIBITION ASSOCIATION—RECORD OF LIQUOR CONTROL ACT IS CONSIDERED TO BE SATISFACTORY IN EVERY RESPECT

Representatives from various parts of the Province, executives of the Moderation League of Alberta, met in Calgary on Saturday morning, October 11th, at the Canadian Legion Hall for the purpose of considering the action of the Prohibition Association of Alberta in circulating a petition with the declared ultimate object of a return to total prohibition.

W. Wallace Howe, of Edmonton, Secretary of the Moderation League, reported that the prohibition petition is being sent out from headquarters to different parts of the Province, asking for signatures to abolish the retail sale of beer, either by the glass or bottle in all beer rooms, whether in hotels, clubs or canteens.

Mr. Howe stated that in the official organ of the Prohibition Party, the objects of the petition were clearly set forth, and, in his opinion, it seemed inconsistent to attack the retail sale of beer in hotels and clubs when the petition especially condoned the sale of all kinds of liquor in Government stores. Mr. Howe further stated that the executive of the Moderation League has, at all

times, kept in touch with the workings of the present Liquor Act and that a favorable opinion of the Act in all its provisions is amply justified by official reports which record considerable improvement in the drinking habits of the people, and in general social conditions.

The executive of the Moderation League considered that the question of beer rooms was an important one and this particular section of the Liquor Control Act, together with the local option clauses, looked upon as the "safety-valve," whereby any district under the local option clauses, has the right to declare itself "wet" or "dry" by a vote of the people. From the inception of the Act, there has been 58 local option plebiscites on the question of beer licenses, yet there are nearly 380 hotels with licenses in Alberta which have been renewed each year, and only four licenses have been canceled as a result of these votes, and they, due to peculiar local conditions.

The meeting felt too, that the people of Alberta were prepared to stand upon the record of the Liquor Control Act since its inception, and the motive prompting the circulation of the petition was to render the Act unworkable, by eliminating the sale of beer by glass or bottle in hotels, clubs and canteens, the ultimate aim being a return to total prohibition.

Mr. Cousins, President of the Moderation League of Alberta, told the meeting that, since his arrival in Alberta in 1883, he

## FALL SITTINGS OF SUPREME COURT CRIMINAL ASSIZES IN SESSION AT MACLEOD

The Fall Sittings of the Supreme Court Criminal Assizes for the Judicial District of Macleod opened on Monday afternoon at the Macleod Court House, with His Honor Mr. Justice Ford on the Bench.

There were seven cases set down for trial on the docket, as follows:

Rex vs. Emil Smallface, Blood Reserve, charged with theft; pleaded not guilty, elected to be tried without jury. Solicitor for the crown J. D. Matheson, K. C.; for defendant, S. E. Nelson, barrister, Cardston.

Rex vs. G. D. Radke, Granum, charged with theft, pleaded not guilty and elected to be tried by jury. J. D. Matheson, K. C., for crown, and G. C.

had seen the country pass through two forms of prohibition and that, in his opinion, the present Act was the best that any province possessed. He expressed his confidence in the citizens supporting the Act in all its provisions and that the petition would fail because of the ability of the present Act to give the people what they want—moderation; it being a sane, workable law and in the open where all can see its operation.

The executive decided that steps be taken to make known facts regarding the present Liquor Act, its accomplishments since its inception, and to take any means necessary to offset the attempt to change what is now considered a satisfactory piece of legislation.

## MACLEOD HIGH SCHOOL LITERARY SOCIETY ENTERTAINMENT A GREAT SUCCESS

The Macleod High School Literary Society has been noted in past years for the high-class entertainments which they occasionally put on during the school year.

The executive and members excelled all records on Friday evening last when they gave their first party of the season, showing that the students of today are not a whit behind those of former years. The splendid programme which they presented showed a marvelous amount of high-class talent.

There were over 90 students present, and all the members of the high school and public school staffs, the five members of the school board, with their wives. There were also present three high school students from Pincher Creek and two students and the principal from the Cardston high school.

The programme opened with a school song, then: A play by Mildred Bailey, Gwen Hilliard and Jack Cutler; chorus by the students; recitation by Beryl Underwood; comic duet entitled "Barnacle Bill the Sailor," by Charlie Knight and Jack

## WHEAT POOL IS ADDING MANY NEW MEMBERS—DELIVERIES TO POOL ELEVATORS GOOD—NEW TERMINAL ELEVATOR LEASED

Eighty new members joined the Alberta Wheat Pool during the first eight days of October. Contracts have been coming to head office in a steady stream in spite of the fact that no active canvassing is being done. During the month of September 171 signed contracts were received by the Alberta Wheat Pool.

Deliveries of wheat to Pool elevators reached the high water mark on Monday, October 6th, when the day's receipts totalled over 800,000 bushels. The bulk of the receipts of grain by Pool elevators has been received from Southern Alberta as threshing has been delayed in the central and northern portions of the province.

The earlier threshed grain from the southern part of Alberta showed remarkably high protein according to tests made from many points. Samples from Hesketh and Idlesleigh showed a protein content of 19 per cent, while many other points supplied samples of wheat which tested from 15 to 18 per cent protein content.

The semi-annual meeting of the boards of directors of the three provincial pools of Western Canada will be held at Calgary October 16th. These inter-provincial meetings are held alternately in Winnipeg, Regina and Calgary.

The terminal elevator at Victoria, B.C., owned by the Panama Pacific Grain Company has been leased by the Alberta Wheat Pool. This terminal has a capacity of one million bushels. The Alberta Wheat Pool now has control of terminal storage of over nine million bushels on the Pacific coast.

Cutler; recitation by Patricia Wyld; piano trio by Jean Hilliard, Jean Wyld and Gwen Hilliard; monologue, Jack Cutler; vocal duet, Ruth Ringland and Gwen Hilliard. The programme closed with an original chorus entitled "I Like McKay and McKay Likes Me," the outcome of which being that Principal McKay took the platform and made short speech, which was very much appreciated.

At the close of the program dancing was indulged in until midnight, when a delicious lunch was served by the committee. The dance music was supplied by the high school orchestra, as follows: Jean Hilliard, piano; Andy McKay, drums; Lee Watchorn, violin; Glen and Clarence Ringland, saxophones.

An orthophonic gramophone, kindly lent by the Rexall Store, relieved the orchestra at intervals. The orchestral music was exceptionally good and was very much enjoyed. The hall was beautifully decorated in black and gold, the colors of the high school. Mr. Evans was master of ceremonies, and carried out his duties in a most pleasing manner.

Special thanks and praise is due the executive for the splendid success of the entertainment, but they refuse to take all the credit, stating that they were greatly indebted to the staff, to Mr. McKay and to Miss Stewart and Miss Wil-

liams for their willing and efficient assistance in making arrangements.

## REGULAR MEETING MACLEOD TOWN COUNCIL

The Macleod Town Council met on Monday evening. There were present: Mayor Swinarton; Councillors Day, Fanset, Tweed, Stevens, McLeod and Baker.

D. E. Ringland was present, and made an offer to the council to make ice on the curling and skating rinks for \$150.00 per month.

H. R. Cleaver, town electrician, gave a verbal report on Radios burnt out during the recent storm, stating that wind had probably blown the lines together, causing shorts. Mr. Edgar was present and asked the council what they would do as reimbursement for burned out Radios. The council decided that they were not responsible for any damage caused by wind storms.

Mr. Downing was present, asking to rent barn at north end of 23rd St. at rental of

"SON OF THE GODS" BRINGS DICK BARTHELMESS TO LOCAL SCREEN IN A POWERFUL ROLE—THURSDAY—FRIDAY—SATURDAY

There have been many great Barthelmess pictures since the days of the unforgettable "Broken Blossoms" and "Tolable David," but, unless this reviewer is very much mistaken, the greatest of them all is the latest, "Son of the Gods," which has just come from the First National and Vitaphone Studios to the Empress Theatre.

Very rarely does the screen, even in its most brilliant productions, offer so perfect a combination of story, star, cast and setting. In "Son of the Gods" it is difficult to imagine how any one of these elements could have been improved upon. Dick Barthelmess, one of the most appealing actors now appearing before the public, has never exerted more forcefully the magic of his personality.

The picture is beautifully produced. Part of it is in Technicolor, and this sequence provides another demonstration that the process of color photography has at last been perfected. But the black and white scenes also represent the artistic touch and the almost uncanny skill and ingenuity of men who through years of practical experience have mastered the art of the camera.

You simply can't afford to miss "Son of the Gods." It seems to us to be the best produced and best acted picture we have seen in many a moon.

Zane Grey's First Talker, "The Lone Star Ranger," Loaded With Big Thrills—George O'Brien and Sue Carol Head Large Cast of Prominent Players—Romance of Rustlers, Rangers and Roaring Frontier Life—Monday and Tuesday

No all talking picture yet made, it is said, surpasses the vivid action of "The Lone Star Ranger." Fox Movietone all talking romance of the Southwest, adapted from Zane Grey's story that has been read by millions of people. This picture will be seen and heard at the Empress Theatre next Monday and Tuesday.

George O'Brien, one of the most popular leading men in all talking pictures, portrays the leading role, while Sue Carol, beautiful, charming and vivacious screen actress, enacts the leading feminine character, and the two provide the love interest.

O'Brien was selected to play the role of Buck Duane because the part seems to fit him. He is tall, handsome and athletic in addition to qualifying as a talented actor. Then, too, the character required a man lighting fast with a gun, and O'Brien, long a student of his father, until recently chief-of-police of San Francisco, mastered the art of "throwing a gun" before he thought of a career in moving pictures.

"The Desert Song"—Glorious Screen Version of Opera—Wednesday Only, October 29th

John Boles, who portrays the masterful glorious singing role of "The Red Shadow," has won the highest critical praise for his work.

One of the most affecting scenes in "The Desert Song," Warner Bros. Vitaphone operetta, coming to the Empress Theatre on Wednesday, October 29th, is the leave-taking between the mysterious "Red Shadow" and his band of Riff followers, by whom he has been condemned to banishment into the desert, with neither food nor water, and no arms except his own broken sword. There is a great bond of affection between the leader and his men, but he has refused to meet the

## MACLEOD HOCKEY CLUB RE-ORGANIZED FOR SEASON OF 1930-31—PROSPECTS BRIGHT FOR REAL HOCKEY AT MACLEOD THIS SEASON

At a meeting of Macleod hockey fans held in the Rest Room on Wednesday, October 22nd, the club was re-organized amid great enthusiasm and the following officers were elected for the season of 1930-31:

Pres.—Mayor J. Swinarton. Vice Pres.—Alex McLeod. Sec.—Treas.—E. Charlton. Manager—Willard Long. Coach—W. J. Scott. Executive—Al West, Frank Walshe, Claude Tweed and George Chugg.

A committee was appointed consisting of Willard Long, Al West and W. J. Scott to meet the Town Council on Wednesday night, October 22nd, to arrange details regarding hockey club privileges at the new Municipal rink.

Judging by the personnel of the 1930-31 officers, management and executive as above the prospects are of the brightest for real hockey this season and doubtless Macleod Hockey Club will receive the enthusiastic backing of the residents of Macleod and district toward putting Macleod on the map in Southern Alberta with a first-class amateur hockey team to do honor to the Old Town and it's fine new municipal rink.

French General Birabeau in single combat—knowing him to be his father—and the law of the tribe is inexorable. The story of "The Desert Song" is full of heart throbs, many of which are based on the love of "The Red Shadow" for Margot, the French girl who is strangely attracted by the masked bandit chieftain, but has no eyes for his other self, Pierre Birabeau.

## CANADIAN MOTHERS CAN MAKE PROSPERITY

Conceited man struts about this earth boasting of his achievements and frowning his brow about what he is going to do. But it is usually women who do it.

Every worth-while thing that ever has been done in the world has been done with a woman somewhere in the background, influencing, directing and inspiring the male hands that have made the actual gestures.

And the same thing is true in the present effort throughout Canada to re-establish prosperity.

The men are holding meetings; cabinets are passing reso-

lutions; newspapers are cracking their paper throats in appeals; street corner philosophers are holding their usual seances.

But it is the women who can really make prosperity for Canada.

Are the mothers of Canada fully aware of what they can do for their boys and girls? Do they know and appreciate the power that is theirs?

Do they know that after suffering and sacrificing for their children it is in their power to save those children from being cast adrift now?

On their pantry shelves and in their purchases the mothers of Canada can make or mar prosperity.

The purchase of Canadian goods means the expansion of Canadian industry. And the expansion of Canadian industry means the creation of jobs for Canadians.

These women themselves have the power to say whether their children will have those jobs here in Canada.

It is not the men of Canada, but the women of Canada who will make Canadian prosperity.

## PIES AND THEIR CRUSTS

Heresies in the matter of good food have been spreading throughout the land of recent years. But no heresy more fundamental or sweeping has yet appeared than the bland assertion in a recent cook-book that pies, especially apple pies, should be baked without any bottom crust, "since nobody eats the bottom crust anyhow."

Here is a blow square at the jaw of one of North America's greatest institutions. This continent was nourished throughout its youth on apple pies, no matter what later dieticians have said about it.

And any genuine, died-in-the-wool pie eater would as soon think of leaving the bottom crust uneaten as he would forget to honor his wife's birthday.

The man who, tackling a piece of pie, leaves the bottom crust to its own devices, bare and forsaken, is no true pie addict. It was not by such men that the New World became great.

Pie was made to be eaten, and the under crust is its chief jewel and its greatest glory.

## LEAPING BEFORE THEY LOOKED

When you start out to attack something, it's a good thing to have scientific facts with you, these days.

For some time past smoking by women has been attacked by various leagues, with such statements as: "Sixty per cent of all the babies born to cigarette-smoking mothers die before they reach the age of two;" and "smoking mothers transmit 'tobacco-heart' to their offspring."

The American Medical Association has been looking into these statements. It says that they have no foundation in fact and that smoking has no effect whatever upon a woman's ability to become the mother of healthy children.

There may be some moral reason why women should not smoke, but the doctors say there is no physical reason. Those who object to smoking by girls merely weaken their crusade when they broadcast statements that science shows to be untrue.

## WEDDING BELLS

## LAYCOCK—WALL

A wedding of special interest to many in Macleod and district was quietly celebrated in Lethbridge on Saturday, October 18th, in St. Patrick's church, when Miss Loretta Wall, youngest daughter of F. J. Wall and the late Mrs. Wall, of Macleod, was married to Thomas Laycock, of Macleod, the ceremony being performed by Rev. Father Beck, O.M.I.

The bride was accompanied by Miss Mary Bain, Macleod, as bridesmaid, and the groom was supported by Orwell Stewart as best man.

F. J. Wall, father of the bride, and Miss Regina Wall, sister, were present. After the ceremony the bridal party enjoyed a wedding supper at the Marquis Hotel.

The bride and groom are popular young people in Macleod and district and have both lived in this vicinity for many years.

The good wishes of a large circle of friends is extended to the happy couple.

## OBITUARY

## DEATH OF MRS. MARY MARGARET McMURCHIE

Marked sympathy was expressed by the large congregation which assembled in St. Andrew's Presbyterian church Macleod, on Friday afternoon at the funeral service of Mrs.

Mary Margaret McMurchie, wife of John McMurchie, Macleod, and sister of the Hon. Archie McLean, who died at the family residence on 19th Street on Wednesday, October 15th.

Mrs. McMurchie had been in failing health for the past few weeks, and was seized with a paralytic stroke on Wednesday forenoon, and succumbed six hours later.

Mrs. McMurchie was 75 years of age. She was born at Crenan, County Elgin, Ontario, where she grew up and was married on December 31st, 1889. Shortly after their marriage Mr. and Mrs. McMurchie went to North Dakota, U.S.A., and lived there till 1917, when they returned to Canada and came west to Pincher Creek, and six years ago they moved to Macleod.

Since coming to Macleod Mr. and Mrs. McMurchie have lived a quiet retired life; they have taken a great interest in the work of St. Andrew's Presbyterian church, where Mr. McMurchie has been an honored elder of the church, and Mrs. McMurchie a devoted member, and an earnest worker in the Ladies' Aid and the Women's Missionary Society, in both of which her cheerful countenance and cheerful helpfulness will be sadly missed. The sincerest sympathy of the congregation and of a wide circle of other friends both in Macleod and Pincher Creek, goes out to the bereaved husband and son in their sad loss.

The funeral service was conducted by the minister, Rev. Alex Ferguson, M.A. He based a short address on the text,

"Blessed are the dead who die in the Lord," and in closing referred to the life of Mrs. McMurchie, the beautiful atmosphere of her home, her faithfulness and devotion to the church, always present at the services—both morning and evening, her sympathetic presence was always an inspiration to the preacher. The choir led the singing of favorite Psalm and hymn, and rendered a special hymn, appropriate for the occasion.

Mrs. McMurchie leaves to mourn her departure her husband; her only son, James Alex McMurchie, of Blairmore; three brothers—the Hon. A. J. McLean, Macleod; William McLean, Rodney, Ontario; D. J. McLean, Pincher Creek; one nephew, Duncan McLean, Macleod; one niece, Mrs. Bell, Rodney, Ontario. The mourners present at the funeral were: The husband and son; Hon. A. J. McLean and son Duncan; Mr. and Mrs. D. J. McLean, Pincher Creek; there were also a number of Pincher Creek friends present, including Dr. and Mrs. Gillespie, Mr. and Mrs. Stuckey, Mr. and Mrs. John McFarlane, Mr. and Mrs. Marcellus, Mrs. Mansfield and Wm. Turnbull, Mr. Alex. A. Mitchell, Lloydminster, was also present.

The pall bearers were: J. D. Matheson, K.C.; John Ringland, Hugh Mackintosh, Harry H. McLean, John Pringle and R. J. E. Gardiner.

There were many floral tributes, the following being the donors: The family, the session of St. Andrew's church, The Women's Missionary Society, the Ladies' Aid, Alberta

Lodge No. 3 A.F. & A.M., Bekah Chapter No. 7, Mayor and Mrs. J. Swinerton and family, Mr. and Mrs. J. D. Matheson, Mr. and Mrs. J. Pringle and family, Mrs. Walshe, Sr., and Frank; Mr. and Mrs. T. B. Armstrong, Mr. and Mrs. Wm. Walshe, Macleod Telephone staff, Mrs. Geo. Skelding, Mr. and Mrs. R. F. Walshe, Mr. and Mrs. Harry Sutherland, Mr. and Mrs. H. Hodnet, Mr. and Mrs. G. A. Pasmore (Blairmore), Mr. and Mrs. J. P. Marcellus and family (Pincher Creek), Mr. and Mrs. Alex. Mitchell (Lloydminster), Mr. and Mrs. T. F. Cadzow (Calgary).

# UNDER CONTROL OR NO CONTROL?

UNDER CONTROL: with beer being sold by reputable licensed hotels under government supervision.

NO CONTROL: with bootleggers running rampant as in the old prohibition days.

Reasons why you should NOT sign the prohibition petition urging the government to abolish the sale of beer by the glass or bottle, thus doing away with the beer rooms, clubs and canteens.

1. The proposal to disturb the act comes from a small body of people whose social theories have not withstood the test of actual experience.
2. The Trades and Labor Congress are on record as being in favor of the sale of beer-by-the-glass.
3. By virtue of the local option provisions of the act, communities may extinguish a license when a majority of public opinion so expresses itself.
4. No license has been withdrawn as a result of a local option vote either in 1929 or 1930, though licenses attacked were at points where conditions appeared to the prohibitionists, as favorable to a dry result.
5. In a total of 58 local option votes taken since the act came into force only four licenses have been cancelled as a result of votes; and these licenses were, in every case, adversely affected by peculiar local influence.
6. Absence of criticism at the last two provincial elections.
7. Hotel accommodation, particularly at country points, has improved as a direct result of the act, to a standard unequalled in any other province.
8. The general endorsement of the act by the travelling public and the willingness of the public generally to assist in enforcing the act by giving information regarding infractions and interdicting those needing protection from their own weakness.
9. Bootlegging and moonshining have been eliminated as remunerative pursuits. This, together with strict government control, has placed all intoxicating liquor beyond the reach of minors; fewer cases of intoxication in the police courts, in spite of a considerable increase in the population. Leave the police of the province free to perform their natural functions, that of protecting the people, not taking up their time trying to enforce what has proved to be unenforceable legislation. Remember you cannot legislate men's minds, because they will never obey a law they do not respect. This was proven in prohibition days.
10. The operation of the act provides a large public revenue (4½ cents of every 10c expended) this has helped to increase the general revenue of the province and prevent increased taxation. Formerly such revenue went to the bootleggers and moonshiners.
11. Official reports commend the act as eminently practicable. They contain no important criticism of the act's clauses. Police reports indicate a continuous improvement in the general state of law and order.
12. The real motive prompting the petition is to render the act unworkable by eliminating the retail sale of beer-by-the-glass or bottle; the ultimate aim being a return to total prohibition.

If the beer rooms and clubs are abolished what does the Prohibition Party suggest to take their place? Is it to be liquor for the wealthy and prohibition for the worker?

# A Two-Sided Story

Following is a letter that appeared in a Western newspaper, written by one of its readers. There is information in it for storekeepers: "Your paper is always boosting that home-town buying is the right thing, for if everybody bought away we would not have a town very long. In your editorial a week or two ago you said there would be less buying from catalogues if every merchant would advertise, because it is advertising that keeps the catalogue men going. Well, I believe that's right too, but one thing I would like to see all the local merchants do, and there are more who think the same, and that is for them to print the prices as much as they can in their advertising. And I also think that if the prices are going up they should say so and tell why, if they know. These times we all have to bite our nicks, or most of us, and we certainly don't like the idea of prices going up on staples particularly, and not a word about it till you reach the store. I am not an advertising expert, but I know what I would like to see in my local paper along that line and that is a lot of genuine information about goods and prices every week. Then we should feel better and if we were being fairly treated there would be less sending away. I hear this talked about a lot, so thought I would write you."

Mr. Merchant, tell your message to the people of this town and vicinity in "The Times"

The Masonic Lodges of this district, extending from Granum to Okotoks, joined in a large and well-appointed banquet last Friday evening at Reynolds' Hall after a meeting held in the Masonic Hall in the afternoon. The banquet was begun at 6 o'clock, and was served by the local order of the Eastern Star. The attendance was large and enthusiastic, and the toast list produced many attractive features. The ladies of the Eastern Star received many laudatory references for their work as hostesses.

At a special session of the Women's Institute held in Reynolds' Hall on Tuesday afternoon and presided over by Mrs. J. H. Marsh, a number of Macleod members were present. Mrs. Marsh conducted a discussion of plans for the present season's programme, and on motion, decision as to financial arrangements was postponed until next meeting. Mrs. P. S. Clarke, assisted by Mrs. Easton, gave a demonstration of an ideal dinner menu, completely prepared. Musical numbers were provided by Mrs. Torrence and Mrs. Rowe, and a reading by Mrs. James Blair. Mrs. Greenwood, of Macleod, District Convenor, addressed the meeting briefly. Mrs. D. D. Reynolds gave the use of the well-known Reynolds Hall for the occasion.

An address which was a very powerful sermon was given in the United church last Sunday evening by Rev. Dr. Hugh Dobson of Vancouver, B.C., Associate Secretary of Evangelism and Social Service for the United Church of Canada, and Chairman of the Social Service Committee of Canada, which has recently published a report on "The Trend of Marriage and Family Life in Our Times." "The Kingdom of God is among us," said Mr. Dobson, "and as in the great periods of the historic past when men have been pessimistic through doubt, the realization that God has not absented himself from His world is what will save us." The preacher pictured the similarity between conditions of the periods of 800 to 500 B.C., 100 B.C. to 100 A.D., and our own times. Times of change are times when people are awakening to new conditions, he said, and times of awakening are times when tempers are not at their best. People who are being awakened, are people who are irritable. Pessimism develops where old sanctions and authorities fail, and yet the message of Jesus Christ, like that of the prophets of the first period mentioned was one of the presence of the Eternal God in human affairs. And the evangelist called those present to an acceptance of the present

challenge. After the service a large number waited and met Mr. Dobson in a group discussion.

A number of alterations and improvements have been made at the United church this week, among them being a new chimney flue to obviate the difficulty with gas fumes; and the changing of one of the gas heaters. Repairs were carried out under the direction and

by the efforts of A. MacGregor and G. R. Torrence.

Clearing skies and warm sun are welcomed by those who have yet a few days of threshing to be done.

At the regular service of the United church next Sunday evening the minister will speak on the subject, "Our Need of the Gospel to Save Us from the Lockstep of the Mind."

There will be an anthem by the choir.

Mrs. Reid, of Airdrie, mother of Miss Margaret Reid of the Rosebawn School, visited this week with her daughter and with Mrs. C. Dimm.

Guy Clarke has been ill at the home of his brother Harry, in Claresholm, being threatened with pneumonia. His condition is reported as improving.

There will be no service in Granum Presbyterian church next Sunday. Sunday school at 11 a.m. Rev. A. Ferguson, Macleod, will preach at Jumbo Valley Presbyterian church at 3 p.m.

A Study Club is being formed for the study of worthwhile principles as applied to social and economic life. Those interested should see one of the committee: Mrs. James Blair, Mrs. Ethel Clarke, Rev. A. H. Rowe, W. B. Rogers and G. R. Torrence.

At Starland Theatre Friday and Saturday this week Ruth Chatterton in "Sarah and Son." All talking. Timothy Shea's best selling novel of mother-love will be seen in its talking filmed version. Also 2-reel "Hall Room Boys" Comedy, "Zip—Boom—Bang." Usual admission.

Starland Theatre is putting on a special show Monday and Tuesday, October 27th and 28th—Nick Lucas, Conway Tearle and Winnie Lightner, with a brilliant supporting cast in the all color, singing and dancing extravaganza, "The Gold Diggers of Broadway." The best talkie ever screened—you can't afford to miss it—Monday and Tuesday. Admission 25c, 35c, 55c. Also Comedy.

Among those who attended the special meeting at Claresholm, when Miss Jamieson, General Secretary of the Women's Missionary Society, spoke of her recent trip to South-West Africa, were: Mrs. R. H. Lawrie, Mrs. R. F. McDougall, Mrs. C. E. Henker, Mrs. J. I. Dimm, Mrs. MacGregor, Mrs. R. F. Smith, Mrs. C. J. Owendine, Mrs. W. A. Blair, Mrs. Rowe, and Messrs. R. F. McDougall and A. H. Rowe. They report a good meeting and a remarkable address by Miss Jamieson. This gathering was held at the United Church, Claresholm, on Tuesday evening of this week.

There was an attendance of 32 at the Young People's meeting in the hall of the United church on Monday evening. Miss Jean Rogers presided ably, and those assisting in the programme, which was centred on the subject, "Getting," included: Misses Calder, Marion Clarke, Ruby Anderson, Freda Sherman, Sylvia Reynolds, Rita Lantinga, Mary Dimm, and Messrs Fred Clarke, Lloyd Reynolds, Chellis Easton, Warren Henker. Lloyd Reynolds was appointed pro tem as manager of the hockey team of the Y. P. S. Miss Calder was elected convenor for the Social Evening next Monday, and suggested plans for a hike and bonfire at Willow Creek with enthusiastic support from everyone. Convenors of programmes for the ensuing month were appointed as follows: Lloyd Reynolds, Helen Sandgathe and Mary Dimm.

The Granum Elks, No. 109, will give a social evening and dance in the Granum Opera House on Thursday, Nov. 6th. Cards at 8.30 sharp. Comedy sketch, followed by dancing. Admission 50c.

## Sunday Night Suppers Prepared on Saturday

BY EDWINA NOLAN  
Director of Home Service, General Electric Refrigeration Department

SUNDAY night suppers can be tedious affairs or they can be happy and gay and served without fuss. The secret, of course, is in preparing them in advance.

The simplest of menus is the one that men like the best, as for instance:

Toasted Mushroom Sandwiches  
Chicken and Cucumber Salad  
with Potato Chips  
Chocolate Cream Cup Cakes  
Coffee

The mushroom sandwiches are made on Saturday afternoon, folded in a damp towel and put into the electric refrigerator, where they keep in perfect condition until Sunday evening. The lettuce is washed and put into the vegetable pan in the refrigerator to crisp. The mayonnaise is made and, with the cucumbers and an eight-ounce jar of chicken, put into the refrigerator. Cup cakes should be made on Saturday morning.

The filling for the toasted mushroom sandwiches: 1 pound mushrooms, 4 tablespoons butter, 8 tablespoons flour and ¼ teaspoon salt. Peel the mushrooms, remove stems and scrape them. Chop mushrooms and stems fine, melt butter in frying pan and add finely chopped mushrooms. Sauté slowly until mushrooms are golden brown. Then dredge with flour and salt, stir flour rapidly into mushrooms and cook until mixture thickens. Cool and use as sandwich spread. It will keep satisfactorily for two weeks or more in the electric refrigerator if not all used for the Sunday evening supper. Other menus are as easily arranged.

This plan leaves for the late Sunday afternoon only the combining of the chicken and cucumber salad. The sandwiches may be toasted on a grill at the table and the coffee made in the percolator.
